

Isabell & Philip von Alvensleben 3627 Serra Road Malibu, California 90265

March 6, 2008

TO WHOM IT MAY CONCERN:

Philip Johnson and John Hughes have been our trusted contractors for the past five years. During that time we have been continually amazed at their level of professionalism. We are currently working with them on our second major home renovation, with another one waiting to happen in the near future.

Phil and John only work with the best subcontractors, all of whom are reliable, hard workers. They will always try to find the best solution for whatever problem has to be solved, taking financial as well as time concerns under consideration.

The nature of every construction job puts quite a burden on anybody's family life, but with Johnson & Hughes at your side it becomes much more manageable than we have seen in many of our friends' cases.

We would certainly recommend them for any job where good, sustainable work and trustworthiness are valued.

Sincerely,
